Take your days and nights to new heights at Emporium's iconic Terrace, Brisbane's premier open-air rooftop bar & restaurant. Bask in subtropical luxe as you soak in the unrivalled views over Brisbane, world-class beverages and all-day dining menu.

Immerse yourself in a sensory symphony of sights, sounds and inimitable rooftop vibes.

THE STORY BEHIND THE MENU DESIGN

Incorporated into the Menu design is a fluid representation of the elements that the Terrace has been built upon and assembled into a symmetrical design.

The heart and soul of the concept is based on a surrealist expression that incorporates the spaces between dream and reality which activates the unconscious to express itself. Within this space comes many different dimension and the risk of not knowing where the design will lead to.

The emotion evokes the reflectiveness of how "one magical night" at the Terrace can take your soul, your heart and most importantly your mind, not knowing where the night will lead to but experiencing the magic of the illusions along the way.

The style being based on the modern Collage design trend it has a strong emphasis on nature and texture. The designs formations of the Sun and the moon representing the rising and the falling of the sun. Everything imbetween is a delegation of the magic and the igniting of the senses that are dancing to the beat of life.
